"FRUIT-A-TIVES" CURE HEADACHES

Because it is a Fruit Medicine made from Fruit Juices

GEORGE H. SCOTT
WHITFIELD, N. Y.
"In 1912, I was attacked by Severe Headaches, coming on at intervals of two weeks, and lasting two days and two nights."

I tried seven different kinds of pills. One day while in Burlington, Vermont, I found an empty "Fruit-a-tives" box. I saw it was a fruit medicine, made from fruit juices, and useful for liver complaint; and I came to the conclusion it was my liver that was causing my headaches.

I procured a box of "Fruit-a-tives" or "Fruit Laxo Tablets" and waited results. The headaches did not materialize until the third week; and have never had a headache since and that was four years ago."

GEORGE H. SCOTT.

TRY THIS FOR YOUR BACKACHE

Backache often causes needless fear of some organic trouble but it often is nothing but a symptom that the muscles of the back, which bear most of the heavy strain of a day's work, are undernourished.

When backache is associated with shortness of breath, palpitation and dizzy spells it is almost always caused by thin blood and requires tonic treatment.

"I was very weak, had dizzy spells and my heart palpitated violently," says Mrs. Fred Marion of No. 45 Grant street, Ogdensburg, N. Y. I had no appetite, even the smell of food made me sick and my stomach troubled me after meals. I had awful pains in the back.

"I found relief by taking Dr. Williams' Pink Pills. Soon after taking them I felt much better and I grew stronger. My heart no longer palpitates excessively and my appetite increased. I am entirely free from the pains in the back now, I sleep better and no longer have the dizzy spells."

If your back aches, if you rise in the morning unrefreshed after a night's sleep, get a sixty-cent box of Dr. Williams' Pink Pills from the nearest drug store. This will give you two weeks' treatment and by the end of that time you should see sufficient improvement to encourage you to continue until you are entirely well. Write to-day to the Dr. Williams Medicine Co., Schenectady, N. Y., for a copy of the free booklet, "Building Up the Blood."—adv.

A FRIEND IN NEED A FRIEND INDEED

Writes Mrs. Hardee Regarding Lydia E. Pinkham's Vegetable Compound

Los Angeles, Calif.—"I must tell you that I am a true friend to Lydia E. Pinkham's Vegetable Compound. I have taken it off and on for twenty years and it has helped me change from a delicate girl to a stout, healthy woman. When I was married I was sick all the time until I took Lydia E. Pinkham's Vegetable Compound. I was in bed much of my time with pains and had to have the doctor every month. One day I found a little book in my yard in Guthrie, Oklahoma, and I read it through and got the medicine—Lydia E. Pinkham's Vegetable Compound—and took eight bottles and used the Sanative Wash. I at once began to get stronger. I have got many women to take it just by telling them what it has done for me. I have a young sister whom it has helped in the same way it helped me. I want you to know that I am a friend indeed, for you were a friend indeed."—Mrs. GEORGE HARDEE, 1043 Byram St., Los Angeles, California.
